## COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for Cherokee Lane Street Improvements,  
200' S/Kettleman Lane to Poplar Street

MEETING DATE: February 5, 1992

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to Claude C. Wood Co. in the amount of \$84,323.60 and appropriate \$46,000.00 from the gas tax fund to complete the project.

BACKGROUND INFORMATION: This project consists of reconstructing the left-turn pockets on Cherokee Lane at Kettleman Lane. Also included in the project is the installation of pavement reinforcing fabric and an asphalt concrete overlay on the north-bound lanes from 200 feet south of Kettleman Lane to Kettleman Lane and the south-bound lanes from Poplar Street to Kettleman Lane.

The specifications require that the project be phased so that at least one travel lane in each direction will be open to traffic at all times.

It is also recommended that an additional \$46,000.00 be appropriated from the gas tax fund. This project is part of the Cycle 2 State-Local Transportation Partnership Program. As part of this program, the State will be paying for approximately 30% of the construction costs. The gas tax fund will be reimbursed with this money when it is received from the State.

Plans and specifications for this project were approved on January 2, 1992. The City received the following seven bids for this project:

<u>Bidder</u>	<u>Location</u>	<u>Bid</u>
